Osborne & Little and Nina Campbell

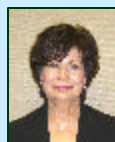

Introducing a new collection of fabrics and wallpaper which pays witty homage to the Englishman's love of both the native beauty and the exotica to be found in his rolling parklands.

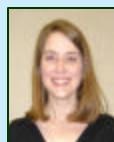

Influences of trees, leaves, flowers, and man's best friend are found in this collection. Osborne & Little also released a unique collection of 100% wool tartans, checks, stripes & plains with a modern color

Connoisseur Epingle, also referred to as frieze or grosgrain, is known for good wear as upholstery due to the intricate uncut pile loop. Three patterns are shown here. Watch for three more patterns on their way.

SAMUEL & SONS

PASSEMENTERIE

Samuel & Sons Passementerie is a family owned and operated importer, designer, and distributor of fine trimmings. An extension of the 75 year old M&J Trimmings in New York, Samuel & Sons has been designing and distributing trims for over 25 years.

Defined as a limitless selection of beauty, craftsmanship, and color it offers an extensive collection fit to meet any need. They also offer a customization option in which an existing item may be customized or they will create your own masterpiece. Utilizing materials like silk, wool, glass, and jade their variety is in excess of 20,000 trims.

Samuel & Sons trimmings will be distributed through Designers Only starting this month.

Congratulations to Pat Lillis who was the grand prize winner at our Scalamanдре' Holiday Open House. Pat won a custom tote bag featuring Scalamanдре' pattern Edwin's Covey. Thank you to all those who were able to attend. We enjoyed sharing the holiday spirit with you!

Comb-Back Windsor Chairs

From it's original introduction to the Colonies in 1730 to today, Windsor Chairs are an ever popular style used in homes across the nation. The original comb-back (so called for the resemblance to a lady's hair comb) was an inexpensive chair that was valued for its graceful form, sturdy construction, versatility, and comfort. Windsor chairs are not just for use in the dining room, they are commonly found outside on decks and in gardens. In 1800 there were several dozen on the piazza of George Washington's Mount Vernon. Contact Designers Only for tear sheets on our selection of comb-back chairs.
