Thanks to all who were able to join us for the Gaston y Daniela showing with Miguel Guisado of Gaston y Daniela Spain, and Chris Snyder of Brunschwig & Fils Chicago. The new collection—on display now—included large pattern prints for which they are well known, in bright colors as well as black and white. Many weaves and silks were also included in the collection. Although distributed through Brunschwig & Fils, Gaston y Daniela fabrics are stocked in Spain, and are ready to ship!

Throughout the month of May all Scalamandré account holders were able to register to win a custom Scalamandré bag. While there were many entries, there could only be one winner.

Congratulations to Kathy Sawyer from Trapp & Company

Peter Julian was on hand to personally present Kathy with the custom bag.

Women at Work

The last couple of weeks at Designers Only have been quite busy for the staff. Reorganizing the showroom to make room for more product can be quite time consuming. However, everything is now in place and ready to view. We appreciate everyone's patience while the changes were being made.

Updated showroom maps are available, and employees are glad to point you in the right direction.

Stop in to see what's new!
