Jonathan Charles unveiled their Quick Ship program at High Point this year, offering 140 of their top selling items now available for this program. The quick ship items ship from North Carolina in 1-6 weeks. In addition, a new transitional furniture collection was released. Inspired by the streamlined furniture of the 1930's, the Transitional Collection is an exclusive selection of casually sophisticated furniture featuring clean lines, simple silhouettes and high sheen wood finishes.

Wildwood Lamps proudly introduced 300 new styles at High Point this year. Featured items were from their Tommy Bahama, Studio W, and Italian collections. Tommy Bahama is a whimsical, casual collection with tropical inspirations. Studio W offers transitional styles showcasing unique shade options. The Italian Collection features ceramic pieces in classic urn shapes. See all the lighting options available from Wildwood on [www.wildwoodlamps.com](http://www.wildwoodlamps.com).

**RALPH LAUREN**

Presents *The Heiress Collection*

With inspirations drawn from the four corners of the world, The Heiress Collection from Ralph Lauren melds time worn elegance with a touch of bohemian romance. This youthful marriage of rustic and refined elements creates classic yet fresh interiors. Soft prints define this collection while accents of stripes, woven plaids, and exquisite embroideries tie it all together. Hanging samples of the Heiress Collection are now on display at Designers Only with memo sampling available.
